Angelo Vitello 1909 - 2001

Dear Friends:

As autumn approaches with its beautiful colors, it's time to think of your interior painting needs.

Each year we are privileged to paint the interior and exterior of many homes, churches, offices, schools, etc. Our painters, of whom we are most proud, are skilled in painting, staining, stenciling, graining, marbling, gold leaf work, mottling, and special finishes. We are also skilled paperhangers and plasterers.

The Graham Company is an established firm, owned and operated by the Graham family from 1871 until 1960. My father Angelo Vitello, a long time superintendent of the firm, bought the business from the Graham family in 1960. I joined him at that time, and my two sons Shaun and Peter joined us shortly after. My sons and I continue to operate the company in a professional and honest way as did my Dad who passed away last year.

Our recent and upcoming projects include, Grace and Hope Mission, Roxbury; St. Margaret Church interior, Lowell; the rectory chapel at Mission Church, Roxbury; the interior of First Lutheran Church in Malden; Mann-Rogers Funeral Home in Jamaica Plain; the exterior of Our Lady of Fatima Church in Sudbury; St. Mary School in Danvers; and the residence of the Little Brothers of St. Francis in Roxbury.

We carry full insurance coverage; workers' compensation, property damage, and public liability.
